Re: FOIA/PA #18-139

Dear Mr. Cox:

This is in reference to your email sent to Executive Office for United States Attorneys (EOUSA) dated March 8, 2018 for information pertaining to 1) the number of times that the DOJ has sought a company's source code for any products. 2) All applications submitted to state or federal courts for orders asking for a company to provide source code, as well as any affidavits or other documents filed in support thereof, warrants or orders, denials of warrant or orders, and returns of warrants associated with those applications. 3) Records reflecting the docket numbers, or, if unavailable, other identifying information, of all cases in which the DOJ asked a company to provide product source code. Our FOIA office received your Freedom of Information Act request from EOUSA on March 21, 2018.

This office conducted a file search of the National Security Division Office of Assistant Attorney General. We did not locate any responsive records subject to FOIA.

You may contact our FOIA Initiatives Coordinator, Arnetta Mallory, for any further assistance and to discuss any aspect of your request at:

Your appeal must be postmarked or electronically transmitted within 90 days of the date of my response to your request. If you submit your appeal by mail, both the letter and the envelope should be clearly marked "Freedom of Information Act Appeal."

Additionally, you may contact the Office of Government Information Services (OGIS) at the National Archives and Records Administration to inquire about the FOIA mediation services they offer.
